TRUTHS that govern the GodTrust

Genesis 1:26 And God said, Let us make man in our image, after our likeness: and let

them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

Genesis 1:27 "So God created man in his own image, in the image of God created he him; male and female created he them."

Genesis 1:28 "And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth."

God gave me, man, dominion over the Land, Air, and Water, and this became LAW.

Land is Common Law - rights/property/equity Law,

Air is Ecclesiastical/Canon Law - Trust Law,

Water is Admiralty/Commerce Law - Contract Law.

These are the three Jurisdictions. Defined: Juris = right Law, Diction = Words.

It's the words (diction) you use that determines the right law (Juris) under which you stand.

We are self governed through our beliefs in a superior creator, a God. That we will atone, and be responsible for our sins. Therefore we love thy neighbor and do no harm. We seek to do good in all things.

Genesis 2:7, "And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul."

Genesis 17:1 "And when Abram was ninety years old and nine, the LORD appeared to Abram, and said unto him, I am the Almighty God; walk before me, and be thou perfect."

Genesis 17:9 "And God said unto Abraham, Thou shalt keep my covenant therefore, thou, and thy seed after thee in their generations."

Deuteronomy 1:17 "Ye shall not respect persons in judgment; but ye shall hear the small as well as the great; ye shall not be afraid of the face of man; for the judgment is God's: and the cause that is too hard for you, bring it unto me, and I will hear it."

Job 32:21 "Let me not, I pray you, accept any man's person, neither let me give flattering titles unto man."

COURT DECISIONS

This section is placed here not to limit we the sovereign people, but to limit the BAR, the Courts, the foreign agents/actors interference, who pretend to act as de jure government.

"This constitution is the supreme law of the land... all judicial officers of the United States are bound, by oath or affirmation to support. ". Hayburn's Case, 2 U.S. 408

"It is never to be forgotten that in the construction of the language of the constitution... as, indeed, in all other instances where construction becomes necessary, we are to place ourselves as nearly as possible in the condition of the men who framed that instrument. " Ex Parte Bain, 121 U.S. 1, 7 S.Ct. 781

"The United States is entirely a creature of the Constitution. Its power and authority have no other source. It can only act in accordance with all the limitations imposed by the Constitution." Reid v. Covert, 354 U.S. 1, 77 S.Ct. 1222

"... neither the legislative, executive, nor judicial departments of the Government can lawfully exercise any authority beyond the limits marked out by the Constitution."

Dred Scott v. Sandford, 60 U.S. 393

"This is the supreme court, and by reason of its supremacy must have the superintendence of the inferior tribunals and officers, whether judicial or ministerial."

Marbury v. Madison, 1 Cranch 137

"The Constitution nowhere makes reference to "legislative courts." "The power given Congress in Art 1, s 8, cl. 9, "To constitute Tribunals inferior to the supreme Court,"

plainly relates to the "inferior Courts" provided for in Art. Ill, s 1; it has never been relied on for establishment of any other tribunals."

"Any such modification of a contract, by subsequent legislation, against the consent of one of the parties, unquestionably impairs its obligations, and is prohibited by the Constitution."

"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."

United States v. Darby, 312 U.S. 100, 61 S.Ct. 451

"A court of equity... will compel the trustee to do all the specific acts required of him by the terms of the trust. "

Clews v. Jamieson, 182 U.S. 461, 21 S.Ct 845

"Neither this Court, nor any branch of this Government, will consider the merits or fallacies of a religion. Nor will the Court compare the beliefs, dogmas, and practices of a newly organized religion with those of an older, more established religion. Nor will the Court praise or condemn a religion, however excellent or fanatical or preposterous it may seem. Were the Court to do so, it would impinge upon the guarantees of the First Amendment..." Universal Life Church v. United States of America, 372 F. Sup. 770
