# CANAANITES BECOME THE ‘BLACK NOBILITY’ OF LATER EUROPE

(From Mullins, *The Curse of Canaan*, page 10)

.[After seeking an explanation for Noah’s curse of Canaan]

“…None of these explanations offers a valid reason for the vehemence of Noah's curse, a curse which has blighted humanity for three thousand years. The only rational explanation for the curse is Noah's anger that Canaan had done something which thoroughly outraged his grandfather. Looking on him while he was exposed would hardly have caused such a reaction. Scholars finally concluded that Canaan had done something so degrading that Noah had to pronounce a curse upon him. What would this have been? The Bible as presently translated does not really give us a clue. These scholars decided that Canaan, being of mixed race, and therefore not bound by the rigid moral code of the Adamites, had probably committed a homosexual act on his grandfather. Being of pure stock, Noah would have been exceedingly wroth at such an act, and would have reacted as he did.

The Curse of Canaan was extended to the land which was named after him, the Land of Canaan. **The Canaanites themselves**, the people of this land, became the greatest curse upon humanity, and so they remain today. Not only did they originate the practices of demon-worship, occult rites, child sacrifice, and cannibalism, but as they went abroad, they brought these obscene practices into every land which they entered. Not only did they bring their demonic cult to Egypt, but, **known by their later name, the Phoenicians, as they were called after 1200 B.C., they became the demonizers of civilization through successive epochs, being known in medieval history as the Venetians**, who destroyed the great Byzantine Christian civilization, **and later as "*the black nobility*,"** which infiltrated the nations of Europe and gradually assumed power through trickery, revolution, and financial legerdemain.

The reputation of Canaan is to be found in many ancient records, although its foul history has been carefully expunged from even more of the historic archives and libraries. In 1225 B.C., the Pharaoh Merneptah, who, because of his victories in the Canaanite region, was known as "Binder of Gezer," set up a stele to commemorate his successes. Among the inscriptions placed thereon was this: "Plundered is the Canaan, with every evil; All lands are united and pacified."

This inscription did not mean that Merneptah had used every evil to plunder the Canaan; it meant that he had in his sojourn there encountered every evil practiced by this notorious tribe.”

# VERIFICATION FROM WIKIPEDIA: CANAANITE = PHONECIAN

[The *Canaanites* became known as the *Phonecians*.]

**"Phoenicia** was an ancient civilization in Canaan which covered most of the western, coastal part of the Fertile Crescent. Several major Phoenician cities were built on the coastline of the Mediterranean. It was an enterprising maritime trading culture that spread across the Mediterranean from 1550 BC to 300 BC. …

In the Amarna tablets of the 14th century BC, people from the region called themselves *Kenaani* or *Kinaani* (Canaanites), … .

"Phoenicia" is really a Classical Greek term used to refer to the region of the major Canaanite port towns, and does not correspond exactly to a cultural identity that would have been recognised by the Phoenicians themselves…. Their civilization was organized in city-states, similar to ancient Greece. However in terms of archaeology, language, life style and religion, *there is little to set the Phoenicians apart as markedly different from other cultures of Canaan*. As **Canaanites**, they were unique in their remarkable seafaring achievements.

Each of their cities was a city-state which was politically an independent unit…. Though ancient boundaries of such city-centered cultures fluctuated, *the city of Tyre seems to have been the southernmost.* Sarepta … between Sidon and Tyre is the most thoroughly excavated city of the **Phoenician** homeland. "...the expansion of the Babylonian Brotherhood accelerated on the political and financial fronts...very name of Italy derives from the word bull - a Nimrod symbol.

Once again **they traveled under the heading of Phoenicians and they settled in the north of Italy in 466 AD in what is now Venice**. ***These Phoenicians then became known as Venetians.*** [NOTE: in many European languages the letter "V" is pronounced with an "F" sound.] They built a powerful maritime (of course) and financial empire which was based on lending people money that does not exist and charging them interest on it."

# VERIFICATION: THE CANAANITES (PHONECIANS) FOUNDED VENICE AND GENOA IN ITALY

## “The Phoenicians and the Celts Founded Genoa in Italy”

”**Anciently named Genua** ="knee" as the sea shores shape or ="door" gate to the sea or ="jaw" mouth to the sea , **was founded probably around 2'000 B.C.** by "Sea People", the Fenix ( Or **called "Phoenicians"**one of the first civilization of mankind-history.) who sailed into the most comfortable bay of that site, from Tyrus (now in Lebanon) thru' Corsic…”

“**The Genoese expanding method** often was not of conquering but of ***founding commercial colonies into a foreign city*** building a private harbour with customs duty, a "darsena"(from arabic "daar seenah" the place where to build ships), a Genoese district with shops and houses, churches, and then *slowly taking financially and politically possession of the whole town*. That's why with this financial method the dominion of Genoa lasted longer than a one taken by force with struggles.”

[EDITOR’S NOTE: The Venetian oligarchichal method of financial takeover thus persists to this day, via the machinations of the Khazar ‘Black Nobility’.]

## British Launch `Great Eurasian War' Drive

### Venetian 'Index Cards'

“Today's generation of British oligarchs and their vast intelligence establishment **operate on the same "Venetian" principles as their predecessors**, from the 18th- and 19th-Century epoch of undisputed British global imperial domination, during the heyday of the British East India Company. They always *play divide-and-conquer, manipulating religious, ethnic, racial, and cultural fault-lines, to rule by promoting perpetual chaos*.”

Thus it is actually demonstrated (somewhat to my astonishment), that there is in fact a distinct chain from the “King of Tyre”, mentioned and described in the Bible, to the oligarchic “Black Nobility” of Venice and thence the rest of Europe. The description of the **King of Tyre**, incidentally, leaves little to the imagination as to his *spiritual identity*;

**Ezekiel 28:1-10**

The word of the LORD came to me: "Son of man, say to the **ruler of Tyre**, `This is what the Sovereign LORD says: "`In the pride of your heart you say, "I am a god; I sit on the throne of a god in the heart of the seas." But you are a man and not a god, though you think you are as wise as a god. Are you wiser than Daniel? Is no secret hidden from you?

By your wisdom and understanding you have gained wealth for yourself and amassed gold and silver in your treasuries. By your great skill in trading you have increased your wealth, and because of your wealth your heart has grown proud.

"`Therefore this is what the Sovereign LORD says: "`Because you think you are wise, as wise as a god, I am going to bring foreigners against you, the most ruthless of nations; they will draw their swords against your beauty and wisdom and pierce your shining splendor. They will bring you down to the pit, and you will die a violent death in the heart of the seas. Will you then say, "I am a god," in the presence of those who kill you? You will be but a man, not a god, in the hands of those who slay you. You will die the death of the uncircumcised at the hands of foreigners. I have spoken, declares the Sovereign LORD.'"

The word of the LORD came to me: "Son of man, take up a lament concerning the **king of Tyre** and say to him: `This is what the Sovereign LORD says: "`***You were the model of perfection, full of*** wisdom and perfect in beauty.

***You were in Eden, the garden of God***; every precious stone adorned you… *on the day you were created* they were prepared. ***You were anointed as a guardian cherub***, for so I ordained you. ***You were on the holy mount of God; you walked among the fiery stones.*** You were blameless in your ways from the day you were created till wickedness was found in you. Through your widespread trade you were filled with violence, and you sinned. So I drove you in disgrace from the mount of God, and I expelled you, O guardian cherub, from among the fiery stones. Your heart became proud on account of your beauty, and you corrupted your wisdom because of your splendor. *So I threw you to the earth;* I made a spectacle of you before kings. By your many sins and dishonest trade you have desecrated your sanctuaries. So I made a fire come out from you, and it consumed you, and I reduced you to ashes on the ground in the sight of all who were watching. All the nations who knew you are appalled at you; you have come to a horrible end and will be no more.'"

If the “Black Nobility” are the ones who today maintain the princely lineage from the King of Tyre, does this prophecy tell us of their eventual fate for their evil deeds?
