WHO WAS THAT MASKED MAN who sent your SON OFF TO WAR?

Are there really Planetary OVERLORDS?

WHO ARE THEY? BANKERS? MUNITIONS MAKERS? The 13 FAMILIES? YEP! And their flunkies Cheney, Bush. And they are planning on thinning the herd! COUNT ON IT!

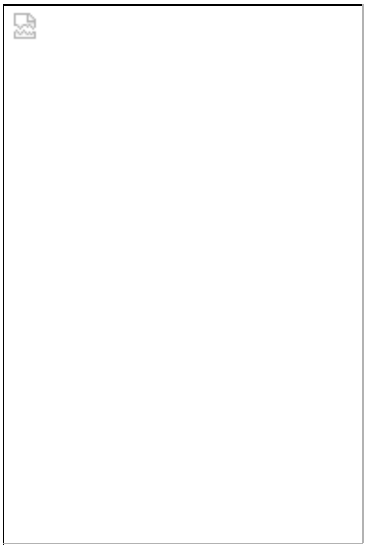

THESIS: THAT THE RICH ARE HEARTLESS! NOT THE RICH guy who owns the SKYSCRAPER DOWNTOWN, no, we are talking about the **13 families.**

" War Is Terrorism but with ***a Bigger*** Budget"

Conspiracy theorists believe modern history reflects a long-term conspiracy by an international financial elite that has the horrific, cruel plot of profiteering off, then enslaving humanity and finally killing them off --- dumping all useless eaters and leaving just good workers (doctors, lawyers, politicians,) men who can supply themselves with mega-plastic, fiched to the max. (Iris, retinal prints, bar-coded and chipped.) The rest of humanity is dispensable. So, if they do not care if your son is murdered in a war one day, you definitely have to get on top of them in your lifetime…and knowing who and what they are is important.

WHO ARE THESE CRUEL MEN WHO RUN THE PLANET? Like blind men examining an elephant, CONSPIRACY THEORICISTS have gone on record attributing this conspiracy to the **USUAL SUSPECTS:** BANKERS, (most of them alleged to be Jews who don't like GOYS very well, so the usual racist 'I'm alright Jack, Screw you" lifeboat theory is in play;) The Illuminati, i.e. the descendents of the PHOENICIAN traders, the first gadzillionaires on the planet, and their dupes, or co-conspirators, Vatican, Jesuits, Freemasons. Then there isThe Black Nobility who were the VENETIAN TRADERS, the second wave of gadzillionaires and Then there's the BRIT TRADERS, the first big traders of modern times, and a few American Mercantile or Resource families, like the Rocks, Harrimans, who are modern day capitalists heavily invested in the three big **death industries**.

CLICK ON THISURL (underlined,) and a few more later, at end as they give you the MASKED man's TRUE IDENTITY!! (Their businesses are always these three, the death industries: oil, war toys and DRUGS. YEP, thru their intelligence services, they deal illegal drugs to the people to fund them. They use the secret cash to run secret death ops like TOPPLE THE MONKEY, CHANGE MONKEY ON THRONE, CREATE REVOLUTIONS, without traceable donations on the books from the first families or from governments they control.) They are called the Fourteen families.

OTHER CANDIDATES FOR THE DEATH LEAGUE: NEXT come their OLE BOYS CLUBS, SKULL AND BONES at YALE who all go to work for a ritzy corner of the CIA implementing the will of the OLIGARCHS. The WILL is determined by the Bildersberg ORG which is a group of all the players of contemporary time, CEO's politicos, 13 Families, the Rocks, Rothschilds, Harrimans, etc.

The real villains are these rich and powerful men, (but also their flunkies,death squads and spies.) Certainly they are at the heart of WAR, KILLING, PROFIT and the THREE BIG BUSINESSES, GUNS, WAR TOYS AND OIL.But biggest, richest and most powerful of them allare **the dynastic families who own the Bank of England,** the US Federal Reserve and associated cartels. They also control the World Bank and IMF and most of the world's Intelligence agencies. Their identity is secret but Rockfeller, Rothschild and Morgan are certainly some of them. So they are not **all** Jews as alleged by Hitler.

The Bank of England was "nationalized" in 1946 but the power to create money remained in the same hands.England is in fact a financial oligarchy run by the "Crown" which refers to the "City of London" not the Queen. The City of London is run by the Bank of England, a private corporation. The City is a sovereign state located in the heart of greater London. As the "Vatican of the financial world," the City is not subject to British law.

On the contrary, the bankers dictate to the British Parliament. In 1886, Andrew Carnegie wrote that, "six or seven men can plunge the nation into war without consulting Parliament at all." Vincent Vickers, a director of the Bank of England from 1910-1919 blamed the City for the wars of the world. ("Economic Tribulation" (1940) cited in Knuth, The Empire of the City, 1943, p 60)

The British Empire was an extension of bankers' financial interests.Indeed, all the non-white colonies (India, Hong Kong, Gibraltar) were "Crown Colonies." They belonged to the City and were not subject to British law although Englishmen were expected to conquer and pay for them.

The Bank of England assumed control of the U.S. during the T.R.Roosevelt administration (1901-1909) when its agent J.P. Morgan took over 25% of American business. (Anton Chaitkin, "Treason in America", 1964) available at **ABEBOOKS** for 2$ and a copy for 4$ today, Just saw it. Ordered the 2$copy myself!

According to the "American Almanac," the bankers are part of a network called the "Club of the Isles" which is an informal association of predominantly European-based royal households including the Queen. The Club of the Isles commands an estimated $10 trillion in assets. It lords over such corporate giants as Royal Dutch Shell, Imperial Chemical Industries, Lloyds of London, Unilever, Lonrho, Rio Tinto Zinc, and Anglo American DeBeers. It dominates the world supply of petroleum, gold, diamonds, and many other vital raw materials; and deploys these assets at the disposal of its geopolitical agenda.

Its goal: to reduce the human population from its current level of over 5 billion people to below 1 billion people within the next two to three generations; to literally "cull the human herd" *(. (Which is why all the conspiracy theorists agree that AIDS was engineered in labs from green monkey virus and put into vaccines which were forced on all AFRICANS which makes sense. But stateside, they allege it was injected into all gays who would have died off anyway as they don't breed, in an anti-Hep C vaccination campaign.) and CULL the herd in the interest of retaining their own global power and the feudal system upon which that power is based

As their sphere of INFLUENCE has grown with globalization, Historian Jeffrey Steinberg could have been referring to the US, Canada and Australia when he wrote, "England, Scotland, Wales, and, especially, Northern Ireland, are today little more than slave plantations and social engineering laboratories, serving the needs of ...the City of London...

These families constitute a financier oligarchy; they are the power behind the Windsor throne. They view themselves as the heirs to the Venetian oligarchy, which infiltrated and subverted England from the period 1509-1715, and established a new, more virulent, Anglo-Dutch-Swiss strain of the oligarchic system of imperial Babylon, Persia, Rome, and Byzantium....

The City of London dominates the world's speculative markets. A tightly interlocking group of corporations, involved in raw materials extraction, finance, insurance, transportation, and food production, controls the lion's share of the world market, and exerts virtual "choke point" control over world industry."

Jeffrey Steinberg belongs to a group of historians associated with economist /writer/researcher pesky know it all Lyndon LaRouche. Google up his writings. Knows where all bones are buried. They have traced this scourge to the migration of the Venetian mercantile oligarchy to England more than 300 years ago.

Although the LaRouche historians do not say so, it appears that many members of this oligarchy were Jews. Cecil Roth writes: "The trade of Venice was overwhelmingly concentrated in the hands of the Jews,

the wealthiest of the mercantile class." (The History of the Jews in Venice, 1930)

The Jewish banking families made it a practice to marry their female offspring to spendthrift European aristocrats. In Jewish law, the mixed offspring of a Jewish mother is Jewish. (The male heirs always marry Jews.) For example, in 1878 Hannah Rothschild married Lord Roseberry. who later became Prime Minister. In 1922 Louis Mountbatten, the uncle of Prince Philip and cousin of the Queen married the granddaughter of Jewish banker Ernest Cassel, one of the wealthiest men in the world.

If they aren't Jewish by intermarriage, many European aristocrats consider themselves descendents of Biblical Hebrews. The Hapsburgs are related by marriage to the Merovingians who claim to be descendents of the Tribe of Benjamin.

In addition, many aristocrats belong to the "British Israel" Movement that believes the Anglo Saxon races are the lost tribes of Israel and Jesus was king of England.

According to Barbara Aho, Rosicrucians and Freemasons, who believe in British Israelism, have a plan to place one of their bloodline on the throne of the rebuilt Temple in Jerusalem. This positioning of a false messiah whom the world will worship as Christ has been carefully planned and executed over many centuries.

According to Barry Chamish, "there would be no modern state of Israel without British Freemasonry. In the 1860s, the British-Israelite movement was initiated from within Freemasonry. Its goal was to establish a Jewish-Masonic state in the Turkish province of Palestine...Initially, British Jewish Masonic families like the Rothschilds and Montefiores provided the capital to build the infrastructure for the anticipated wave of immigration. However, luring the Jews to Israel was proving difficult. They, simply, liked European life too much to abandon it. So Europe was to be turned into a nightmare for the Jews."

It appears that a vampire-like clique directs the world. This secretive cabal is represented by our dominant political, economic and cultural institutions. Western society has been subverted and western culture is bankrupt. Democracy is a form of social control and the mass media/ education are systems for indoctrination.

Essentially the problem boils down to whether we believe man was made in God's image and has an obligation to lift himself to a higher level of truth, beauty and justice. Naturally monopolists have no use for this and want to define reality to suit their own interests. They have taught us that God is dead and man is defined by physical rather than spiritual appetites. Culture today tends to deny standards, ideals and goals of any kind. We are fed an endless diet of trivia and debauchery.

Certain elite Jews are an integral part of this elite neo feudal conspiracy. Throughout history they have had a symbiotic relationship with the aristocracy. But ordinary Jews like the serfs were manipulated and persecuted by their elites. So don't waste time hating Jews. The same ratio of rich to poor exists with them as with us and has down thru time.

True Judaism like Islam and Christianity affirms the supremacy of God as a moral force. A real Jew, like a true Christian or Muslim cannot perform an immoral act. It's time to reaffirm our belief in God and in fact, unleash the wrath of God in your **ACTIVISM**, a wrath we saw when Christ busted the money changers in the temple. **NOAM CHOMSKY** says that complaining about HOW IT IS can only be useful if we complain to ***those who can fix it***. That would be public figures like big movie stars, journalists as their voices get listened to and their complaints go straight to the ears of our leaders as well as the populace, but really it's essentially people who are high up in government. Sending crank letters to other cranks doesn't cut it.
