The individual in question is one Laura Silsby, former director of The New Life Children's Refuge. She was caught trying to steal 33 children from the country, most of whom were not even orphans and had families.

Hillary has a LONG history of interest in Ms. Silsby. Wikileak emails dating back till at least 2001 have been found in her archives discussing Laura's NGO. Laura had claimed she planned to build an orphanage in the Dominican Republic, but authorities in the country said she never submitted an application for this purpose. They instead located to Haiti.

Huma Abedin was constantly forwarding Hillary articles on this woman's organization:

One of the first things Hillary did when she took over the scene in Haiti was **to get Laura off the hook**:

And the attorney who represented Laura Silsby? A man who was himself convicted as a sex trafficker:

Even more disturbing, we uncovered an email in Wikileaks where they are literally pricing how much it costs to transport children:

Again, this was the same group that got busted by Haitian Authorities trying to Traffic kids.

Help me research!!! There are surely more emails to be found in Wikileaks on this! If we can connect the Clintons to a child abductor their campaign is DONE!!!
